

Intelligent Technology Solutions, LLC

COMPANY BACKGROUND

ITS is a premier IT and business solution provider with over 15 years of specialization in Enterprise Asset Management as well as IT Service and Security Management. As an accredited IBM Partner and Reseller we leverage a number of IBM Tivoli brand products in our solutions. Our specialization in limited products and technologies enables us to provide a depth of expertise which is unsurpassed in the industry.

ITS designs and implements practical technology solutions for business. Our “intelligent” approach aligns best-in-class IT systems and software with our client business goals. The core ITS mission principal is to help our clients derive real value from their investment in IT.

VERTICAL MARKETS

ITS has developed vast experience servicing enterprise clients in the following vertical markets while providing solutions to all types of business.

- Utilities (Generation, T&D, Water)
- Oil and Gas
- Healthcare
- Department of Defense
- State and Public Sector
- Manufacturing
- Transportation
- Higher Education
- Facility/Property Management

“At all times, ITS had my back. They made sure that I didn’t over pay for my licensing and they always do exactly what they say they will do.”
